

# What/where are the most appropriate places to direct growth?

**3**

**Stone County**

**65**

1. Infill first, before growing outward

**28**

2. Grow North

**13**

3. Limit growth outward by establishing a greenbelt around the City

**17**

4. In Hollister/Taney County

**6**

5. No growth, we need to maintain our small town feel
