Branson Seeks Public Input on Comprehensive Plan

By: Sam Clanton
Posted: Monday, July 19, 2010

The city of Branson is developing a comprehensive plan and is seeking input from the public. A steering committee made up of 15 citizens from the community at-large has been working on the plan, along with Design Workshop of Denver, Colorado, a company under contract to assist with the project. Joel Hornickel is Senior Planner with the city's Planning and Development department...
