City sponsoring two workshops in October on Comprehensive Plan

Citizens have more opportunities to get involved with the creation of a Comprehensive Plan that will be the community vision for the future of Branson. The city is conducting two public workshops – one on October 7 and the other October 28.

The October 7 Visioning Workshop will be held at the Branson High School Auditorium on Buchanan Road. The same subject matter will be presented at two different times, 3:30 p.m. to 5:30 p.m. and again from 6:30 p.m. to 8:30 p.m. Citizens only have to attend one of the sessions.

The Visioning Workshop will take the information gathered at the comprehensive plan open house in August and narrow the categories down to more specific details.

Each of the two sessions will include a short presentation and an interactive visioning exercise.

The October 28 Futures Workshop will be held at the Keeter Center at College of the Ozarks from 5 to 8 p.m. This meeting will take all of the information from the October 7 workshop to formulate two or three alternatives for future growth. This will give citizens the opportunity to give their preference of one of the alternatives.
