Comprehensive Plan Development Continues this Month

By: Staff

Posted: Friday, October 01, 2010

Workshops are planned this month in the development of Branson's comprehensive plan.

The first workshop is set for Thursday, October 7th at the Branson High School Auditorium on Buchanan Road. Two sessions will take place, from 3:30 to 5:30, and from 6:30 to 8:30 p.m.

The purpose is to take the information gathered at the comprehensive plan open house in August, and narrow the categories down to more specific details.

Another workshop is planned for October 28th at the Keeter Center at College of the Ozarks, from 5 to 8 p.m.
